## ALL OUR EGGS AND MEAT ARE FREE RANGE

### FULL ENGLISH BREAKFAST 7.50

It's said you should 'eat breakfast like a King'!

Eggs, fried, poached or scrambled, on a toasted English muffin, oak-smoked dry cured streaky bacon, a fat, herby, Lincolnshire sausage, pan-roasted wild and button mushrooms, roasted tomato and parsley topped Heinz baked beans.

### VEGETARIAN FULL ENGLISH 7.50

Eggs, fried, poached or scrambled, on a toasted English muffin, pan-roasted wild and button mushrooms, roasted tomato, parsley topped Heinz baked beans and seasonal vegetables.

### CONTINENTAL STYLE, BREAKFAST TRAY 6.50

Croissant and fair trade banana. Greek yoghurt with berry compôte and granola or a pot of fruit salad. Coffee or tea

### FRENCH TOAST 4.75

Two slices of warm white farmhouse bread dipped in egg, vanilla and cinnamon mix fried until golden brown and dusted with icing sugar. Comes with a choice of two of the following: maple syrup, mixed berry compôte, honey butter, slices of banana or homemade strawberry jam.

### BOILED EGG (WITH SOLDIERS) 2.25

Cheeky boiled egg with a 'unit of toasted soldiers'. We'll slice its head off in the kitchen but leave it on top for you to keep the runny stuff inside nice and warm. (Add Marmite)

### CREAMY SCRAMBLED EGGS 5.75

A toasted English muffin with lightly seasoned buttery scrambled eggs topped with either sliced smoked salmon or roasted wild mushrooms.

### HOMEMADE RÖSTI 5.25

Just in case you didn't know, the Rösti is a healthy traditional dish eaten by Swiss farmers. Essentially made from grated potato, we've added egg and some chopped onion to create a delicious soft omelette. We've then filled it with caramelized onions, grilled wild mushrooms and topped it off with a seasoned fried egg.

### ITALIAN PANCAKES 4.25

Ricotta pancakes served with sour cream and honey

### THE PERFECT BACON BUTTY 3.95

Crispy oak-smoked streaky bacon served in white or granary bread

### SAUSAGE SANDWICH 3.95

A herby, sliced Lincolnshire sausage in white or granary bread

### BREAKFAST MUFFIN 4.95

Like 'Herb' Peterson the inventor of the McMuffin we too have searched for an alternative to the traditional Eggs Benedict. In contrast to Herb's creation we've gone for a freshly toasted English muffin filled with a seasoned fried egg and oak-smoked streaky bacon.

### BELGIAN WAFFLE 3.95

A large Belgian waffle topped with a big dollop of fresh cream and compôte of summer berries.
